What is a Compact?

Oakley Elementary and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Elementary and Secondary Education Act (ESEA) agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

The Oakley parents, students, and staff worked together and shared ideas to develop the Parent-Student-School Compact.

The Title I Committee meeting is held each year to review and revise the compact based on the school's academic achievement goals and students' needs. Parents are welcome to provide feedback at any time. All feedback will be collected and reviewed during the annual Title I revision meeting with parents.
