

## BIRTHDAY CUPCAKES/COOKIES

Want to help your child celebrate his/her birthday but not sure what to do? Let Child Nutrition help you by purchasing cupcakes for your child's class.

Outside food being brought into schools has raised a few questions by parents and staff. First, is the food being brought in safe for my child to consume? Second, does it meet the standards set by Texas Department of Agriculture (TDA) for my child?

The program we offer will provide an individually wrapped cupcake in a festive wrapper and meet the requirements established by TDA of allowable food items. The cost is .75 each and may be ordered and paid for through the cafeteria manager at your child's campus. Cupcakes may be served at the end of the school day. We do ask that you provide at least one weeks notice.

Thank you for your continued support of Child Nutrition as we take an active role in providing healthy balanced meals for students.
