## Exam Exemption Criteria & Timeline

1. Students are allowed to exempt up to 3 finals regardless of grade level if they meet the criteria.
2. If the semester grade is 80 or higher the student is allowed 0-3 absences\*. If the semester grade is 79 or below the class is not eligible for exemption.
3. If a student has 6 or more tardies in a class, that student will not be eligible to exempt that class. Tardies will reset each semester.
4. Students can not exempt EOC tested subjects in the fall semester. The only way to earn an exemption for an EOC tested course in the spring semester is to pass the EOC exam. Upon receiving a passing grade on spring EOCs, a student will earn an additional exemption for the class(es) passed.
5. AP courses can be exempt in the fall if criteria is met. However, only students who participated in the AP exam can exempt the corresponding spring final exam.
6. Dual Credit and On Ramps courses cannot be exempted based upon college course guidelines.
7. Students who are exempt do not have to attend the class period(s) in which they are exempt. Students who need to remain on campus for an exempt class will report to the scheduled class period. Campus guidelines for students leaving campus early will still be enforced.

Students must submit all outstanding assignments and classwork on or before **Friday, Dec. 8 @ 3:00 p.m.** in order for them to be included in the exemption criteria calculation.
