Q&A

- Does vendor have to be a current supplier to GFS? Can vendor provide to GFS only?

All products would be purchased by Gordon Food Service for delivery to the individual schools. An additional contracted fee would be added by them after purchase. Any additional information that Gordon would need to purchase your products may be attached.

- Is the vendor to fill in information in spreadsheet under “evaluation for steering com”?

No, vendors do not complete the Evaluation Form

- What does it mean by price to schools if all products are to be delivered to GFS in Houston? If bidding other than approved brand do we use TAB 2 Alternate spreadsheet?

Estimated usage is listed on the bid.
